

## **Open Hardware Public License Version 1.0 - 10/4/99**

Please read this License carefully before downloading this software and/or design. By downloading and using this software and/or design, you are agreeing to be bound by the terms of this License. If you do not or cannot agree to the terms of this License, please do not download or use the software and/or design.

- 1.0 General; Definitions. This License applies to any program, design or other work which The OpenPPC Project, Inc. ("The OpenPPC Project") publicly announces as subject to this The OpenPPC Project Hardware Public License and which contains a notice placed by The OpenPPC Project identifying such program, design or work as "Original Code" or "Original Design" and stating that it is subject to the terms of this The OpenPPC Project Hardware Public License version 1.0 (or subsequent version thereof), as it may be revised from time to time by The OpenPPC Project ("License"). As used in this License:
  - 1.1 "Affected Original Code" means only those specific portions of Original Code that allegedly infringe upon any party's intellectual property rights or are otherwise the subject of a claim of infringement.
  - 1.2 "Affected Original Design" means only those specific portions of Original Design that allegedly infringe upon any party's intellectual property rights or are otherwise the subject of a claim of infringement.
  - 1.3 "Applicable Patent Rights" mean:
    - (a) in the case where The OpenPPC Project is the grantor of rights, (i) claims of patents that are now or hereafter acquired, owned by or assigned to The OpenPPC Project and (ii) that cover subject matter contained in the Original Code or Original Design, but only to the extent necessary to use, reproduce and/or distribute the Original Code or Original Design without infringement; and
    - (b) in the case where You are the grantor of rights, (i) claims of patents that are now or hereafter acquired, owned by or assigned to You and (ii) that cover subject matter in Your Modifications, taken alone or in combination with Original Code or Original Design.
  - 1.4 "Covered Code" means the Original Code, Modifications, the combination of Original Code and any Modifications, and/or any respective portions thereof.
  - 1.5 "Covered Design" means the Original Design, Modifications, the combination of Original Design and any Modifications, and/or any respective portions thereof.
  - 1.6 "Deploy" means to use, sublicense or distribute Covered Code or Covered Design other than for Your internal research and development (R&D), and includes without limitation, any and all internal use or distribution of Covered Code or Covered Design within Your business or organization except for R&D use, as well as direct or indirect sublicensing or distribution of Covered Code or Covered Design by You to any third party in any form or manner.
  - 1.7 "Larger Work" means a work which combines Covered Code or Covered Design or portions thereof with code, design or other works not governed by the terms of this License.

- 1.8 “Modifications” mean any addition to, deletion from, and/or change to, the substance and/or structure of Covered Code or Covered Design. When code or design is released as a series of files, a Modification is: (a) any addition to or deletion from the contents of a file containing Covered Code or Covered Design; and/or (b) any new file or other representation of computer program statements that contains any part of Covered Code or Covered Design.
- 1.9 “Original Code” means (a) the Source Code of a program or other work as originally made available by The OpenPPC Project under this License, including the Source Code of any updates or upgrades to such programs or works made available by The OpenPPC Project under this License, and that has been expressly identified by The OpenPPC Project as such in the header file(s) of such work; and (b) the object code compiled from such Source Code and originally made available by The OpenPPC Project under this License.
- 1.10 “Source Code” means the human readable form of a program or other work that is suitable for making modifications to it, including all modules it contains, plus any associated interface definition files, scripts used to control compilation and installation of an executable (object code).
- 1.11 “Original Design” means
- (a) the Schematics and other human readable documents of a design or other work as originally made available by The OpenPPC Project under this License, including the Schematics and other human readable documents of any updates or upgrades to such designs or works made available by The OpenPPC Project under this License, and that has been expressly identified by The OpenPPC Project as such in the header file(s) of such work; and
  - (b) the "Gerber Files", "CNC Files" and other machine readable files generated from such Schematics and originally made available by The OpenPPC Project under this License.
- 1.12 “Schematics” means the human readable form of a design or other work that is suitable for making modifications to it, including all components it contains, plus any associated interface definition files, scripts used to control generation of an executable suitable to model the electrical, thermal, mechanical or other characteristics of a design or to control manufacturing equipment used to manufacture a device based on a design.
- 1.13 "Diagrams" means image files depicting block diagrams of the chips, busses and subsystems of the Covered Design in a format readable by a web browser or a free downloadable image display application without using any patented technology. For example JPEG and PDF image files are permitted but GIF image files are not permitted due to the patented image compression used in the GIF image file format.

1.14 "Specifications" means

- (a) a list of the component name, component manufacturer and the component manufacturer's part number for each component used in the Covered Design which contains programmable registers that can be configured by executable code, programmable logic devices or programmable memory devices; and
- (b) detailed register level documentation for each such component suitable for developing the Source Code of device driver software for the component and/or the Source Code for configuring a programmable logic device or a programmable memory device to enable the full use of the component.

1.15 "Documentation" means any additional text files, instructions, notes, drawings or machine readable files necessary to enable a manufacturer to manufacture a device based on the Schematics and Source Code of the Covered Design.

1.16 "You" or "Your" means an individual or a legal entity exercising rights under this License. For legal entities, "You" or "Your" includes any entity which controls, is controlled by, or is under common control with, You, where "control" means

- (a) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or
- (b) ownership of fifty percent (50%) or more of the outstanding shares or beneficial ownership of such entity.

2. Permitted Uses; Conditions & Restrictions. Subject to the terms and conditions of this License, The OpenPPC Project hereby grants You, effective on the date You accept this License and download the Original Code and/or Original Design, a world-wide, royalty-free, non-exclusive license, to the extent of The OpenPPC Project's Applicable Patent Rights and copyrights covering the Original Code and/or Original Design, to do the following:
  - 2.1 You may use, copy, modify and distribute Original Code or Original Design, with or without Modifications, solely for Your internal research and development, provided that You must in each instance:
    - (a) retain and reproduce in all copies of Original Code the copyright and other proprietary notices and disclaimers of The OpenPPC Project as they appear in the Original Code, and keep intact all notices in the Original Code that refer to this License;
    - (b) include a copy of this License with every copy of Source Code of Covered Code and Documentation You distribute, and You may not offer or impose any terms on such Source Code that alter or restrict this License or the recipients' rights hereunder, except as permitted under Section 6;
    - (c) completely and accurately document all Modifications that you have made to Covered Code and the date of each such Modification, designate the version of the Original Code you used, prominently include a file carrying such information with the Modifications, and duplicate the notice in Exhibit A in each file of the Source Code of all such Modifications;
    - (d) retain and reproduce in all copies of Original Design the copyright and other proprietary notices and disclaimers of The OpenPPC Project as they appear in the Original Design, and keep intact all notices in the Original Design that refer to this License;
    - (e) include a copy of this License with every copy of Schematics of Covered Design and Documentation You distribute, and You may not offer or impose any terms on such Schematics that alter or restrict this License or the recipients' rights hereunder, except as permitted under Section 6;
    - (f) completely and accurately document all Modifications that you have made to Covered Design and the date of each such Modification, designate the version of the Original Design you used, prominently include a file carrying such information with the Modifications, and duplicate the notice in Exhibit A in each file of the Schematics of all such Modifications; and
    - (g) include a copy of this License with every copy of Diagrams and/or Specifications of Covered Design You distribute, and You may not offer or impose any terms on such Schematics that alter or restrict this License or the recipients' rights hereunder, except as permitted under Section 6.

- 2.2 You may Deploy Covered Code and/or Covered Design, provided that You must in each instance:
- (a) satisfy all the conditions of Section 2.1 with respect to the Source Code of the Covered Code and the Schematics of the Covered Design;
  - (b) within 1 month of the date You deploy Covered Code and/or Covered Design make Diagrams and Specifications of all Your Deployed Modifications publicly available via electronic distribution (e.g. download from a web site) under the terms of this License and subject to the license grants set forth in Section 3 below, and any additional terms You may choose to offer under Section 6. You must continue to make the Diagrams and Specifications of Your Deployed Modifications available for as long as you Deploy the Covered Code or Covered Design or for twelve (12) months from the date at which You make the Schematics, Source Code and Documentation of your Modifications available for electronic distribution, whichever is longer;
  - (c) within 12 months of the date You deploy Covered Code and/or Covered Design, make Schematics, Source Code and Documentation for all Your Deployed Modifications publicly available in Source Code and/or Schematic form via electronic distribution (e.g. download from a web site) under the terms of this License and subject to the license grants set forth in Section 3 below, and any additional terms You may choose to offer under Section 6. You must continue to make the Source Code and/or Schematics of Your Deployed Modifications available for as long as you Deploy the Covered Code or Covered Design or for twelve (12) months from the date at which You make your Modifications available for electronic distribution, whichever is longer;
  - (d) if You Deploy Covered Code or Covered Design containing Modifications made by You, inform others of how to obtain those Modifications by filling out and submitting the information found at <http://www.openppc.org/modifications.html>, if available;
  - (e) if You Deploy Covered Code in object code, executable form only, include a prominent notice, in the code itself as well as in related documentation, stating that Source Code of the Covered Code is available under the terms of this License with information on how and where to obtain such Source Code; and
  - (f) if You Deploy Covered Design in machine readable, executable form only, include a prominent notice, in the design itself as well as in related documentation, stating that Schematics of the Covered Design is available under the terms of this License with information on how and where to obtain such Schematics.

3. Your Grants. In consideration of, and as a condition to, the licenses granted to You under this License:
  - (a) You hereby grant to The OpenPPC Project and all third parties a non-exclusive, royalty-free license, under Your Applicable Patent Rights and other intellectual property rights owned or controlled by You, to use, reproduce, modify, distribute and Deploy Your Modifications of the same scope and extent as The OpenPPC Project's licenses under Sections 2.1 and 2.2; and
  - (b) You hereby grant to The OpenPPC Project and its subsidiaries a non-exclusive, worldwide, royalty-free, perpetual and irrevocable license, under Your Applicable Patent Rights and other intellectual property rights owned or controlled by You, to use, reproduce, execute, compile, display, perform, modify or have modified, manufacture or have manufactured (for The OpenPPC Project and/or its subsidiaries), sublicense and distribute Your Modifications, in any form, through multiple tiers of distribution.
4. Larger Works. You may create a Larger Work by combining Covered Code and/or Covered Design with other code or design not governed by the terms of this License and distribute the Larger Work as a single product. In each such instance, You must make sure the requirements of this License are fulfilled for the Covered Code and/or Covered Design or any portion thereof.
5. Limitations on Patent License. Except as expressly stated in Section 2, no other patent rights, express or implied, are granted by The OpenPPC Project herein.
6. Additional Terms. You may choose to offer, and to charge a fee for, warranty, support, maintenance, indemnity or liability obligations and/or other rights consistent with the scope of the license granted herein ("Additional Terms") to one or more recipients of Covered Code and/or Covered Design. However, You may do so only on Your own behalf and as Your sole responsibility, and not on behalf of The OpenPPC Project. You must obtain the recipient's agreement that any such Additional Terms are offered by You alone, and You hereby agree to indemnify, defend and hold The OpenPPC Project harmless for any liability incurred by or claims asserted against The OpenPPC Project by reason of any such Additional Terms.
7. Versions of the License. The OpenPPC Project may publish revised and/or new versions of this License from time to time. Each version will be given a distinguishing version number. Once Original Code and/or Original Design has been published under a particular version of this License, You may continue to use it under the terms of that version. You may also choose to use such Original Code and/or Original Design under the terms of any subsequent version of this License published by The OpenPPC Project. No one other than The OpenPPC Project has the right to modify the terms applicable to Covered Code and/or Covered Design created under this License.

8. NO WARRANTY OR SUPPORT. The Original Code and/or Original Design may contain in whole or in part pre-release, untested, or not fully tested works. The Original Code and/or Original Design may contain errors that could cause failures or loss of data, and may be incomplete or contain inaccuracies. You expressly acknowledge and agree that use of the Original Code and/or Original Design, or any portion thereof, is at Your sole and entire risk. THE ORIGINAL CODE AND/OR ORIGINAL DESIGN IS PROVIDED "AS IS" AND WITHOUT WARRANTY, UPGRADES OR SUPPORT OF ANY KIND AND THE OPENPPC PROJECT AND THE OPENPPC PROJECT'S LICENSOR(S) (FOR THE PURPOSES OF SECTIONS 8 AND 9, THE OPENPPC PROJECT AND THE OPENPPC PROJECT'S LICENSOR(S) ARE COLLECTIVELY REFERRED TO AS "THE OPENPPC PROJECT") EXPRESSLY DISCLAIM ALL WARRANTIES AND/OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES AND/OR CONDITIONS OF MERCHANTABILITY OR SATISFACTORY QUALITY AND FITNESS FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT OF THIRD PARTY RIGHTS. THE OPENPPC PROJECT DOES NOT WARRANT THAT THE FUNCTIONS CONTAINED IN THE ORIGINAL CODE AND/OR ORIGINAL DESIGN WILL MEET YOUR REQUIREMENTS, OR THAT THE OPERATION OF THE ORIGINAL CODE AND/OR ORIGINAL DESIGN WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT DEFECTS IN THE ORIGINAL CODE AND/OR ORIGINAL DESIGN WILL BE CORRECTED. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY THE OPENPPC PROJECT OR AN THE OPENPPC PROJECT AUTHORIZED REPRESENTATIVE SHALL CREATE A WARRANTY OR IN ANY WAY INCREASE THE SCOPE OF THIS WARRANTY. You acknowledge that the Original Code and/or Original Design is not intended for use in the operation of medical devices, nuclear facilities, aircraft navigation, communication systems, or air traffic control machines in which case the failure of the Original Code and/or Original Design could lead to death, personal injury, or severe physical or environmental damage.

9. Liability.

9.1 Infringement. If any portion of, or functionality implemented by, the Original Code and/or Original Design becomes the subject of a claim of infringement, The OpenPPC Project may, at its option:

- (a) attempt to procure the rights necessary for The OpenPPC Project and You to continue using the Affected Original Code and/or Original Design;
- (b) modify the Affected Original Code and/or Original Design so that it is no longer infringing; or
- (c) suspend Your rights to use, reproduce, modify, sublicense and distribute the Affected Original Code and/or Original Design until a final determination of the claim is made by a court or governmental administrative agency of competent jurisdiction and The OpenPPC Project lifts the suspension as set forth below. Such suspension of rights will be effective immediately upon The OpenPPC Project's posting of a notice to such effect on the The OpenPPC Project web site that is used for implementation of this License. Upon such final determination being made, if The OpenPPC Project is legally able, without the payment of a fee or royalty, to resume use, reproduction, modification, sublicensing and distribution of the Affected Original Code and/or Original Design, The OpenPPC Project will lift the suspension of rights to the Affected Original Code and/or Original Design by posting a notice to such effect on the The OpenPPC Project web site that is used for implementation of this License. If The OpenPPC Project suspends Your rights to Affected Original Code and/or Original Design, nothing in this License shall be construed to restrict You, at Your option and subject to applicable law, from replacing the Affected Original Code and/or Original Design with non-infringing code or independently negotiating for necessary rights from such third party.

9.2 LIMITATION OF LIABILITY. UNDER NO CIRCUMSTANCES SHALL THE OPENPPC PROJECT BE LIABLE FOR ANY INCIDENTAL, SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR RELATING TO THIS LICENSE OR YOUR USE OR INABILITY TO USE THE ORIGINAL CODE, OR ANY PORTION THEREOF, WHETHER UNDER A THEORY OF CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE), PRODUCTS LIABILITY OR OTHERWISE, EVEN IF THE OPENPPC PROJECT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND NOTWITHSTANDING THE FAILURE OF ESSENTIAL PURPOSE OF ANY REMEDY. In no event shall The OpenPPC Project's total liability to You for all damages under this License exceed the amount of fifty dollars (\$50.00).

10. Trademarks. This License does not grant any rights to use the trademarks or trade names “The OpenPPC Project”, “Open Hardware” or any other trademarks or trade names belonging to The OpenPPC Project (collectively “The OpenPPC Project Marks”) and no The OpenPPC Project Marks may be used to endorse or promote products derived from the Original Code or Original Design other than as permitted by and in strict compliance at all times with The OpenPPC Project’s third party trademark usage guidelines which are posted at:  
<<http://www.openppc.org/publicsourcel/trademarkguidelines.html>>.
11. Ownership. The OpenPPC Project retains all rights, title and interest in and to the Original Code and/or Original Design and any Modifications made by or on behalf of The OpenPPC Project (“OpenPPC Project Modifications”), and such OpenPPC Project Modifications will be automatically subject to this License.
12. Termination.
  - 12.1 Termination. This License and the rights granted hereunder will terminate:
    - (a) automatically without notice from The OpenPPC Project if You fail to comply with any term(s) of this License and fail to cure such breach within 30 days of becoming aware of such breach;
    - (b) immediately in the event of the circumstances described in Section 13.5(b); or
    - (c) automatically without notice from The OpenPPC Project if You, at any time during the term of this License, commence an action for patent infringement against The OpenPPC Project.
  - 12.2 Effect of Termination. Upon termination, You agree to immediately stop any further use, reproduction, modification, sublicensing and distribution of the Covered Code and/or Covered Design and to destroy all copies of the Covered Code and/or Covered Design that are in your possession or control. All sublicenses to the Covered Code and/or Covered Design which have been properly granted prior to termination shall survive any termination of this License. Provisions which, by their nature, should remain in effect beyond the termination of this License shall survive, including but not limited to Sections 3, 5, 8, 9, 10, 11, 12.2 and 13. Neither party will be liable to the other for compensation, indemnity or damages of any sort solely as a result of terminating this License in accordance with its terms, and termination of this License will be without prejudice to any other right or remedy of either party.

13. Miscellaneous.
  - 13.1 Government End Users. The Covered Code and/or Covered Design is a “commercial item” as defined in FAR 2.101. Government software and technical data rights in the Covered Code and/or Covered Design include only those rights customarily provided to the public as defined in this License. This customary commercial license in technical data and software is provided in accordance with FAR 12.211 (Technical Data) and 12.212 (Computer Software) and, for Department of Defense purchases, DFAR 252.227-7015 (Technical Data -- Commercial Items) and 227.7202-3 (Rights in Commercial Computer Software or Computer Software Documentation). Accordingly, all U.S. Government End Users acquire Covered Code and/or Covered Design with only those rights set forth herein.
  - 13.2 Relationship of Parties. This License will not be construed as creating an agency, partnership, joint venture or any other form of legal association between You and The OpenPPC Project, and You will not represent to the contrary, whether expressly, by implication, appearance or otherwise.
  - 13.3 Independent Development. Nothing in this License will impair The OpenPPC Project's right to acquire, license, develop, have others develop for it, market and/or distribute technology or products that perform the same or similar functions as, or otherwise compete with, Modifications, Larger Works, technology or products that You may develop, produce, market or distribute.
  - 13.4 Waiver; Construction. Failure by The OpenPPC Project to enforce any provision of this License will not be deemed a waiver of future enforcement of that or any other provision. Any law or regulation which provides that the language of a contract shall be construed against the drafter will not apply to this License.
  - 13.5 Severability. (a) If for any reason a court of competent jurisdiction finds any provision of this License, or portion thereof, to be unenforceable, that provision of the License will be enforced to the maximum extent permissible so as to effect the economic benefits and intent of the parties, and the remainder of this License will continue in full force and effect. (b) Notwithstanding the foregoing, if applicable law prohibits or restricts You from fully and/or specifically complying with Sections 2 and/or 3 or prevents the enforceability of either of those Sections, this License will immediately terminate and You must immediately discontinue any use of the Covered Code and destroy all copies of it that are in your possession or control.
  - 13.6 Dispute Resolution. Any litigation or other dispute resolution between You and The OpenPPC Project relating to this License shall take place in the Northern District of California, and You and The OpenPPC Project hereby consent to the personal jurisdiction of, and venue in, the state and federal courts within that District with respect to this License. The application of the United Nations Convention on Contracts for the International Sale of Goods is expressly excluded.
  - 13.7 Entire Agreement; Governing Law. This License constitutes the entire agreement between the parties with respect to the subject matter hereof. This License shall be governed by the laws of the United States and the State of California, except that body of California law concerning conflicts of law.

Where You are located in the province of Quebec, Canada, the following clause applies:

The parties hereby confirm that they have requested that this License and all related documents be drafted in English.

Les parties ont exigé que le présent contrat et tous les documents connexes soient rédigés en anglais.
